

Curriculum Vitae (CV) for Faculty Staff

Personal statement:

A highly accomplished, **PhD-certified Endodontist** and **Academic Staff** with over 15 years of experience bridging the gap between advanced clinical practice and academic excellence. Proven leader in managing comprehensive patient care and heading academically inclined teams, with a specialized focus on endodontic innovations such as nanotechnology and AI applications. With a strong background in Quality Assurance and clinical education, I am keen to leverage my expertise within a dynamic, progressive institution dedicated to continuous learning and professional development."
