

Curriculum Vitae (CV) for Faculty Staff

Personal statement:

I am a Lecturer at Ibn Sina University for Medical Sciences and a PhD researcher in Linguistics with a strong focus on corpus linguistics and psycholinguistics. My academic journey combines teaching, research, and program evaluation, where I have gained expertise in academic writing, proofreading, statistical analysis, and data interpretation. I have published in peer-reviewed journals, and presented at international conferences. Passionate about advancing knowledge and fostering innovation, I am committed to bridging research and teaching to contribute meaningfully to both academia and institutional development.
