Curriculum Vitae (CV) for Faculty Staff

Personal statement:

I am Dr. Mohammed Gamal Elkafrawy, Assistant Professor of Prosthodontics, I have more than fifteen years of academic and professional experience in university teaching. I am highly skilled in teaching, actively engaging with students, and focusing on continuing medical education and scientific research. I supervised graduate students' thesis and participated in research projects in the field of removable prosthodontics, maxillofacial prosthodontics, dental implants, and digital dentistry. I always seek to develop myself and keep up with the latest trends in prosthodontics, which contributes to advancing the educational and research process. I work hard to support the mission of the educational institution, improve curricula, contribute to achieving their goals, and enhance their academic outcomes.
